Description

Steps to reproduce:

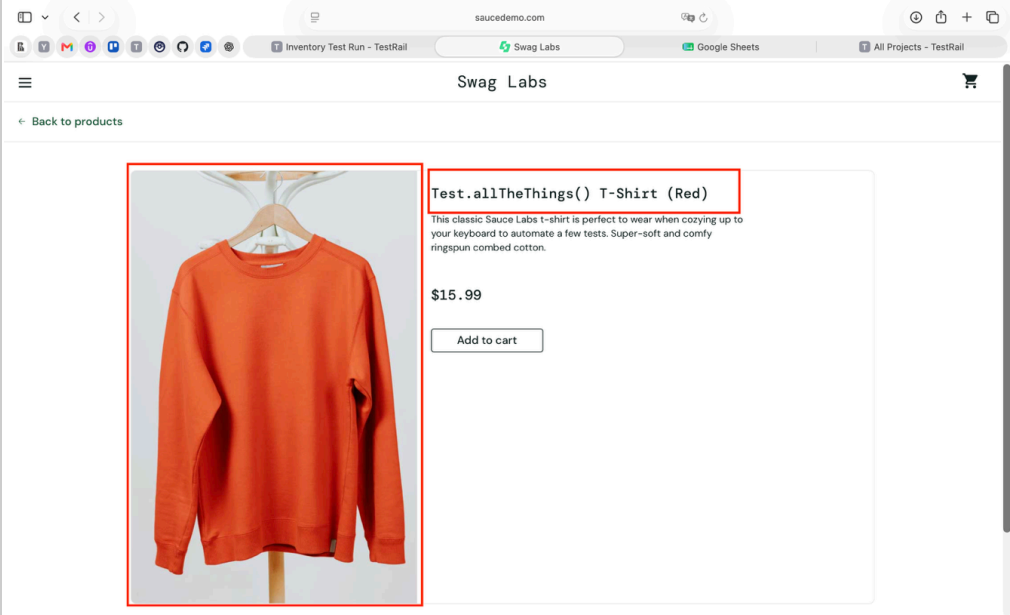

1. Open the Swag Labs website.
2. Login using:
Username: visual_user
Password: secret_sauce
3. Navigate to the Inventory page.
4. Click on the product "Test.allTheThings() T-Shirt (Red)".
5. Observe the product image and product name on the Product Details page.

Expected result:

The product name should accurately represent the displayed product image. The product image and product name should refer to the same product.

Actual result:

The displayed product image shows an orange sweatshirt, while the product name is "Test.allTheThings() T-Shirt (Red)". The product name does not match the displayed product image, causing inconsistent product information.
