Description

Steps to reproduce:

1. Open the Swag Labs website.
2. Enter username: problem_user.
3. Enter password: secret_sauce.
4. Click on the Login button.
5. Navigate to the Inventory page.
6. Observe the product images displayed for each inventory item.

Expected result:

Each product should display its corresponding and correct image according to the product name and description.

Actual result:

All products display incorrect or mismatched images that do not correspond to the associated product information.
